

Hotel Sofitel

NEW YORK, NY

EverGreene worked closely with Hotel Sofitel to create murals and decorative finishes that harmonized with their interior designer's intent. Our work also includes the gilding of the dome and murals of Central Park and the New York skyline in the main ballroom, murals in the lobby and restaurant, and encaustic plaster panels on the reception desk.

EverGreene has also partnered with Hotel Sofitel, producing murals for both the Chicago, IL and Washington, D. C. Locations.
