

The Lyric Theatre, New York City

NEW YORK, NY

EverGreene artists designed and created new murals for the Lyric Theatre (previously known as the Foxwoods Theatre, the Hilton Theatre, and the Ford Center for the Performing Arts) in New York City. The theme of the murals, *Creativity Flies on the Wings of Inspiration* is depicted with allegorical figures on the two opposite walls of the theater.

EverGreene's project scope covered the entire theater's decoration, including murals, new ornamental plaster, as well as the mosaic design for the grand lobby floor.
