

St. Augustine Church Liturgical Furnishings

COVINGTON, KY

Prior to St. Augustine's 150th anniversary, EverGreene's Design Team collaborated with Ratigen-Schottler to create the liturgical furnishings. We designed the ambo, narthex statue niches with candle stands and the shrines that go around the confessionals. All of the designs created for St. Augustine were original and created with Ratigen-Schottler who fabricated the one of a kind pieces for the church.
