

Company Overview

EverGreene Architectural Arts is the premier specialty contractor and historic restoration expert in the United States. With a team of over 100 restoration experts and 40 years of experience, we offer custom solutions for complex preservation and adaptive reuse efforts. Our multidisciplinary teams bring specialized education, training, and experience to every project, ensuring that we deliver award-winning design, restoration, and preservation services for many of the world's most significant architectural masterpieces, sacred spaces, artifacts, and works of art.

As a 100% employee-owned company, we take pride in our dedication to excellence, profound care about preserving cultural heritage, and commitment to always putting quality and craftsmanship first. We adhere to the highest standards for historic preservation set forth by the American Institute for Conservation (AIC), the Secretary of the Interior's Standards for Historic Preservation, the International Council on Monuments and Sites (ICOMOS), and the International Centre for the Study of the Preservation and Restoration of Cultural Property (ICCROM).

With headquarters in Brooklyn, NY, and regional offices in Chicago, Washington D.C., and Los Angeles, EverGreene operates across many market sectors providing over 25 specialty services. Our vast portfolio includes 3,000 completed projects, over 1,000 of them are featured online, and 300 awards.

Explore our portfolio, collection of articles, and awards to see why EverGreene is the go-to choice for historic preservation and restoration.
